

United States Department of Agriculture

BUREAU OF ANIMAL INDUSTRY

AMENDMENT 6 TO B. A. I. ORDER 286—REGULATIONS GOVERNING THE SANITARY HANDLING AND CONTROL OF HIDES, FLESHINGS, HIDE CUTTINGS, PARINGS, AND GLUE STOCK, SHEEPSKINS AND GOATSKINS AND PARTS THEREOF, HAIR, WOOL, AND OTHER ANIMAL BY-PRODUCTS, HAY, STRAW, FORAGE, OR SIMILAR MATERIAL OFFERED FOR ENTRY INTO THE UNITED STATES

Effective October 1, 1926

Under authority conferred upon the Secretary of Agriculture by section 2 of the act of Congress approved February 2, 1903 (32 Stat. 791), it is ordered that the regulations governing the sanitary handling and control of hides, fleshings, hide cuttings, parings, and glue stock, sheepskins and goatskins and parts thereof, hair, wool, and other animal by-products, hay, straw, forage, or similar material offered for entry into the United States, issued under date of May 29, 1924, and effective on September 1, 1924 (B. A. I. Order 286), as amended, be, and the same is hereby, further amended as follows:

Section 3 of Regulation 9, as contained in Amendment 3 to B. A. I. Order 286, dated February 25, 1926, is revoked, and in lieu thereof the following section, to be designated as section 3, is substituted:

SECTION 3. No previously used empty bags made from burlap or similar material, and no bagging, patches, or similar material made from used burlap or similar material, shall be imported into the United States except upon compliance with Regulation 2 and upon compliance with (a) or (b) following:

(a) Such bags, bagging, patches, and similar material may be imported without disinfection, if originating in and shipped directly from a country declared by the Secretary of Agriculture to be free from foot-and-mouth disease and rinderpest; or

(b) Such bags, bagging, patches, and similar material shall be disinfected at the port of entry in accordance with methods prescribed by the chief of bureau: *Provided, however,* That if such bags, bagging, patches, and similar material are to be manufactured into paper or other products at an establishment at which the methods employed are adequate for disinfection as determined by the chief of bureau they may be forwarded from the port of entry to the establishment where they are to be manufactured, in cars or other vehicles sealed with the seals of the department, and such cars or other vehicles shall be cleaned and disinfected in accordance with the provisions of Regulation 14 of these regulations.

This amendment shall become effective on October 1, 1926.

Done at Washington this 24th day of September, 1926.

Witness my hand and the seal of the Department of Agriculture.

W. M. JARDINE,
Secretary of Agriculture.
